12

August 1 we drew in 3 loads put them in the New barn
from the middle field east line

2 Rev W Gifford preached this morning W Rags at night

3 heavy rain all day ~~Ad & Norris~~ worked at his Barn

got the road for the hay fork up & other things

4 Ad is fixing at the Barn Norris mowed in the middle
field rain in the afternoon

5 rain this morning Norris is splitting and sawing wood
Ad went to Genanogue for pine lumber or for his Barn door

6 Norris finished cutting the middle this forenoon he
went to the North field I raked up what was there they
drew in part and cocked up the rest

7 Norris mowed in the North field I raked up all
the hay fork that was cut they drew in and cocked all that was
is now to get into fine left of it. it was after dark they drew in 3 loads
of it to Ad Barn this afternoon we loaded it with
the hay fork it works well in the corners time they

8 Norris finished the North field this forenoon they got it
that finished over haying all in after dark young Grea raked in the afternoon
except some corners I went with Rev W Gready to Sand Bay he preached

W Rags took March heads home up & he brought it back

9 Rev W Gready preached this morning & at Sand Bay he
disposed the Sacrament in the afternoon there was ³⁵ _{communicants}

10 they cart the Black Barley with the sagittas it is good

11 Norris cut part of Wallaces hay he brack the
mower Ad finished it with the ~~2nd~~ ^{3rd} the

12 I raked it up Ad cocked it up Norris is not
well fine day very warm

13 Ad & Norris drew in Wallaces hay and our
Barley I helped Jennie went to the outlet
for Waller Bree Sanders they went to Genanogue

14 Ad and Norris is cutting the fall wheat ^{is work} it is a good deal
winter killed and thirsty Ad cutting with the mower

15 Norris cut part of the Barley Ad went out to
Sand Bay to see the crops there they are middling
heavy rain at noon with wind

16 Norris finished cutting the Barley & cocked some got
the wheat down it all in 2 small loads I raked it and the fall wheat ground
Ad cocked it there is a heavy crop of white clover down on it
