277 DAYS PAST

THURSDAY 89 TO COME

IN GENERAL DEBILITY

following acute diseases, where the functions of the organism are in a state of depression, and in all cases where there is a diminution of the red blood cells and amount of hemoglobin, **Pepto-Mangan (Gude)** produces speedy relief, because it overcomes the derangement in metabolic balance, restores the erythrocytes to their normal power and stimulates the hematopoietic organs. The tissues take up the oxygen yielded by the hemoglobin, and the patient gains strength and weight.

Rained some, I went out with the girls this morning & stayed to Mrs. Blines all day, after dinner Helen & I severely came & took us to St. Thomas, Carl Bline was taken to day & Orley Allen. Helen & I stayed for tea when we got home & then Maudie & Milla went home & I stayed all night - Nov 5
