

May 1st 1906

Jack & I started for the Union  
cemetery before seven we started  
Foley job to-day I filled two Drs.  
on Warren jobs & one on Websters  
all with Aluminum took Bor-  
nett job down got it started  
we boarded at R. Leeders went  
to Lansdown in eve was a  
nice day but a cool wind  
and we went over started work  
it rained some in fore-noon  
we did not do much untill after  
dinner I went up to Rath's in eve  
to see Mrs Foley there was a  
wild storm for a short while  
this eve thunder lightning & rain
