

Dec 1<sup>st</sup> mild and more  
rain. covering strawberries

Dec 2 frozen up again  
today about zero.

Dec 3<sup>rd</sup> cold + cloudy  
up to Hamilton again

Dec 4<sup>th</sup> Very cold  
again zero this morning  
Radio good last night  
had Mexico for the  
first time also all  
the Southern States &  
~~to~~ Los Angeles. Cal.

Dec 5<sup>th</sup> Real winter snowing  
all day. from the North East  
about 6 inches on the level  
drifts two feet in some  
places.

Dec 6<sup>th</sup> Very cold 7 below  
zero they say,  
unloading the car of

manure.

Dec 7<sup>th</sup>. Milder today unloading  
5<sup>th</sup> the car manure. started  
to rain + sleet in the  
evening.

Dec 8<sup>th</sup> Finished unloading  
manure -

Dec 9<sup>th</sup> getting ready to  
go South. men  
covering strawberries

Dec 10<sup>th</sup>. Somewhat milder  
lots of snow but not  
thawing much have  
an awful cold.

Dec 11<sup>th</sup>. in bed nearly  
all morning with a cold  
leaving tonight for  
San Diego hope we  
dont have any trouble  
at the border
