31 DAYS PAST THURSDAY 335 TO COME

"'Twas Ever Thus."

It is a well known fact in the drug trade that just as soon as a pharmaceutical preparation is accepted by the medical profession as one of positive merit, unscrupulous dealers immediately produce so-called "Just as good" and "Just the same" combinations, for which price is the only consideration. **Pepto-Mangan (Gude)** has received the endorsement of the medical practitioner after scientific investigation and is recognized as the standard.
