

Ther.

THURS. NOV. 3, 1898

Wea.

I was busy baking bread in forenoon. After dinner I went out again to help with the roots. S. A and Mrs Leneher was out too for a while it was very windy but not as cold as yesterday forenoon, they have quite a lot to do yet

Ther.

FRIDAY 4

Wea.

I rose and made the fire after breakfast George went to school Lencie is still helping with the roots. I was busy inside in forenoon. Willie had to go away with the team today (field) so they topped the roots in I was pruning raspberries
