

April 1st 1874

Wed. Had Henry Rathwell chopping
sugar wood for next year
we cut about 4 cords -

2 I went to S. Falls to mill
with 1 1/2 bush of oats -
Beautiful day but it
looks like rain. After
I went down to ~~see~~ Mr
John Ball antypis and got
5 bushels of wheat for seed
for \$1.25 per bush.

3 Henry and I gathered
18 Buckets of saps -
Said up the fence around
the field beside the road
in the A.M. - After

4 Boiled and sugared
off 12 lbs. We have made
80 weight sugar

Sunday April 5
pleasant but cold.
S. School in the morning

6 Choring about in the Am.
Mary and I went to the station
in the afternoon -
I called on our new
neighbors Mr James Davis
in the evening

7 Henry and I went over
to the wood hunting we were
gone all the A.M. and
didn't get anything. Took
Henry back to his school
in the afternoon -

Set 3 muskrat traps.
8 Went to the bush and gather-
ed and boiled 27 buckets
of saps -
