

Sunday May 30<sup>th</sup>

Auntie, Frank and I went to Sunday school and church. Cuck  
came down to church and Dad. brought the baby down and was  
over with Cuck to the James' for dinner and to spend the  
afternoon. they took Sid. down to the lake for a little while  
and had an early tea down there. I saddled Joe and was  
for a ride after dinner. I went down to the Ryerse's but  
nobody of them went for a ride so I went out to the Shanks  
and got Charlie to go with me. His uncle John  
had the little sorel which he generally rides so he had  
to take Billy the big grey and the consequence was  
we couldn't go much of a walk. We went down to  
Marburg and up the third concession. I stopped in  
to see Sid. M. Bride but he wasn't home. I wanted to  
ask him about getting some more of his hog-meat.  
We also saw Hammond on his way home from Sunday  
school, we were talking to him for about an hour. He  
was telling us all his Guelph experiences, he would like  
to go to the war but his Dad. won't let him, the whole three of us  
would go if we got the chance, but Charlie is not well  
at all. I don't know what is wrong with him. Frank rode to  
Simcoe this afternoon on his wheel, when I got home  
he was back after the cows. He was gone a very long time

and upon investigation I found that a newly arrived calf  
was causing the delay, it belonged to Spot and Frank was bring-  
ing it up to the barn. It was a fine big red & white bill  
and had evidently been born quite early in the day. Dad  
first got home as we got it up into the yard. Auntie and  
Auntie Alice went down to stay at Hubby's for a week.  
It has been a fine day but a cold east wind.

Monday May 31<sup>st</sup>

I disked crosswise on the corn ground all day but didn't get  
quite over it. Dad. sheared some more sheep. I think he  
only has two more to do now. Hubby was over all day  
and put a post in at this end of the lane to put the gate  
latch on, he also fixed the fence at the end of the lane between  
the gatepost and the anchor post, he didn't feel very well  
to-day. To-night Frank and I went down to see another  
base ball match between the married and single men.  
The single beat 5-4. I froled around town till about  
nine o'clock and then went down to Hubby's for a little  
while. Frank was down there and Auntie was going over  
her lessons with him. They were all working late  
in the bank to-night as it is the end of the month. It has  
been quite hot all day to-day but the wind is still from the
