Monday

Fine day considerably warmer sunny & cloudy a
stiff rain P.M. Mr Barbour over till 11 sowed
rest of Joannette oats No 5. We finished harrowing
and cultivating in No 5 preparing to sow rest of
field. I checked in for fertilizer drill in morning
we fixed the two disks which would not go around. We worked
and sowed with mixture of Joannette oats & barley mixed and
seeded down the S.E. half of strip 11 of No 6 buck. Roy Black
down at noon to see about getting fertilizer drill brought back
chain. Mr Rowe & Fred Osborne up at night looking at
Lucy. Mary walked down town at night. We left
the sows out all night in orchard.

Tuesday

Frost last night 7 in sunny warm most day clouded.
over rained late P.M. Mr Barbour got Punch +
Dan to plow his land Willie plowed for him P.M.
3 45 after he had finished sowing oats in No 5 with
fertilizer drill which Roy Black brought down
past ten A.M. Mr Jackson came up for it P.M.
when we finished using it past 2. We finished sowing
No 5 to-day but was stopped by rain before we got
it harrowed Mary came up this A.M. got at Embury
paint 95¢ 25. Fred Osborne up at night
again to see Lucy Willie drove him around
with her in buggy
