

March 1886

- 1 Fine bright-day. Cold West-wind Mercury in the morning 12 below zero. Marion's birth day.
- 3 Easter. Had a helper calf this evening. I was at Prayer meeting Mr Elder conducted the service, Rev A. was at St. Bruno.
- 4 Pigeon's ewe had twins today. I was at the women's B of Foreign Missions held at Ever Dingwall's had a very nice meeting my offering 10<sup>cts</sup>
- 5 The weather is not so cold. I was at Annie's
- 6 Long legs had a lamb this morning. 202 lb butter Pa. Far. Ran Marion Auntie & Cousin Jimmie & myself went to Uncle Donald's. at dusk stayed until 1/4 after 9. When we got home we found that one of the twins was dead.
- 7 Long legs lamb died this morning. There is a new lamb, very weak. I was not in church this morning. I was at evening service.
- 8 Cold E. Wind We are drawing home the log stack, and have D Sam with his team have F Gordon, old Sam is sawing wood.
- 9 Tuesday pretty cold Far & Jimmie went to Magay's in Kenzie's funeral. She died at her father's house on Black River she was buried on the front
- 10 Ash Wednesday. Far did not come and Jimmie did not come until this morning. They were at Uncle Donald's. Bird is not well. Called the Doctor
- 11 Bird is not better, sore throat. Like diphtheria the Dr was in again and gave her some medicine 10 one bottle E. oil 20. sulphur 5 = coal oil
- 12 Poney had a bull calf this morning. The Doc was in to see Birdie. she is a little better
