of handling

pieces, only one lady dare venture over & I guess
for the 1st time as fell off by the jerk, the horse
jumped over her, she did not get hurt much but
was soon on again to try & did succeed. We
then went to see the whirlegig rides. Then we
^{went} to machinery hall at one end of which they
were selling a deer & peaches I got peaches
& E. G. & I did then I came across a stand
selling books I got 1st dialogue book.
We went up to station gate & there saw
A. H. S. O. G. & I went through C. P. way. Then
we all went with L. S. O. down to boat out
of ground then she changed her mind &
thought she would go on train so we started
through gate again but the man said "No not
through this gate" as we had to go up to tank we
got through off by showing tickets but we were
only on R. R. platform there & had to show
tickets again to get in grounds. We went to sandy
factory but creams & mixed L. S. O. had to go on
boat after all & went back. We then came to station
