at Sophia's sweater, which is being remodelled, to leave Nell time to knit a new one. Went in for a swim in the afternoon. Jim & Teddy went to Southampton.

Saturday Aug. 27th. Had morning swim; cool. Did bedroom work. Dinky very bad with hay fever. Got some remedies ready for her. Charles & Duncan went out bathing and Jack, Charlie, Nell, Dinny & Grace went fishing in Naidaman. Charles & Duncan got back & played golf. There was a very heavy rain storm and the fishing party came home very wet. Spent the evening fixing the sleeves of Sophia's sweater. Wrote a letter for Charles.

Sunday Aug 28th Beautiful day. Charlie so late that I went in for my swim before the rest came down. Best swim &
