

Sunday May 13th drove
as far as Dundas Park
in the afternoon.

May 14th Sowed carrots
2 lbs seed. sowed just
past + half way past
union hole in drill. trying
to get drill set just right
without turning carrots.

May 15th - Warm + dry
hoeing old strawberry
patch. Not much good
by the looks of it.

May 15th. Cloudy looks
like showers. Cut $10\frac{1}{2}$
bsh grass. have already
shipped 22 bshs sold
from \$2.00 to \$2.50. Hoeing
old strawberry bed
Had Mr Bridgman of

Upton Cup around yesterday
says he wants ^{our} berries
again.

May 16th. Hoeing strawberries
colder + starting to rain
in the evening.

May 17th. Showery all day
planted Raspberry
suckers.

May 18th. cloudy + damp.
put salt on asparagus
2 sacks nitrate of soda
on cherry orchard.
planted 15 lbs more
Beans. others mostly
rotten + eaten up
with wire worms. as
many as five in
a bean.
