

June 5<sup>th</sup> Finished spraying  
tonight at it 5 days  
put out 36 tanks,  
about 210 lbs lead and  
over 3 lbs Lime Sulphur.  
windy today and a  
little cooler. - men  
hoeing the picking beds  
of strawberries for the 2nd  
time been at all week

June 6<sup>th</sup> cooler + showery  
in the morning heavy  
rain + thunder storms  
after dinner and evening

June 7<sup>th</sup> <sup>Sunday</sup> Cold + cloudy  
with a few light showers

June 8<sup>th</sup> cold + cloudy  
a few light showers  
men hoeing new strawberries

for the 2nd time.

tried out the new Spring  
tooth it seems alright.

June 9<sup>th</sup> - Planted out  
Cauliflowers. ground  
in good shape. but  
Caul. plants small. also  
it turned hot.

June 10<sup>th</sup> - all men hoeing  
+ cultivating, very  
warm.

June 12<sup>th</sup> Picked first  
strawberries 5 x 36  
+ 1 x 24 pints sold in  
Toronto at 1st 13 40 1/4 + 1st 10  
Toronto flooded with Am-  
erican berries.

June 13<sup>th</sup> Fine + warm  
had Will + Clara for  
supper also Herts.
