

Nov 25<sup>th</sup> 1892.

Fri 25<sup>th</sup> Another cold bleak day sun appearing a few times during the forenoon. Hunted with Mr. Washburn today.

Accompanied his daughter to Mrs Ballantyne's and carried a basket for her, for Mr Ballantyne, her husband having died today but I did not go in the house, returned home (to Mrs Cowan)

Sat 26<sup>th</sup> Cold & cloudy day put the carpet down on the dining room for Mr Cowan and did other little things for her, at practice to night.

Sun 27<sup>th</sup> Cold and cloudy attend Sunday school and went home with David Shattoon for tea met Mr Trotter and Don Charlie had a good visit and went to church

Nov 27<sup>th</sup> 1892

Sun 27<sup>th</sup>

to night is <sup>the</sup> time prophesied by astronomers to be some terrible Comet Biela and the Earth colliding causing a fire storm, but it was invisible here in Canada the sky being cloudy we could not see any thing of the Comet if it did appear in the sky at all.

Mon 28<sup>th</sup>

Call, snowing all day fell about 4 inches did not go hunting with D. Shattoon as expected.

Tue 29<sup>th</sup>

Very cold at Hardings this afternoon we went to Barriefield with a pair of Bobsleds to be remodelled returned ~~to~~ with him and had tea and spent the evening playing <sup>cards</sup> ~~cards~~
