

- May 17 Dan Searched & bushed at Barley on the West side
 of the Buckhead growing there I found 3 lbs of Black
~~Barley on the south head of the creek near the bridge~~
 improved barley than the full of the wash bacon of
 horses all kinds on the head a bridge that finished
 the field fine warm day
- 20 we had no meeting to day Mr Stone is at Harrisburg
 21 rain this morning we left the cows out last night
 in the rain & this I put them up at 4 o'clock this morning
 22 rain all day nothing done except some chores
 23 still raining this morning I worked at a
 gate for the barn and fixed some hinges for
 it we have the cows in most of the time
 24 Dan gone and we putt some posts and
 rails on some boards on them for a barn
 fence
- 25 Dan took the young cattle out to the Bull
 concession & in the field went with them
- 26 Dan is laid up with the quinsy
- 27 Rev D W Richards preached this evening Mr
 Cornett took him to Fairfax & Saney Bay
- 28 I got Fred Johnson to help me for a few
 days he began at noon to day Dan is sick
 he dove diving into the garden that is the first
- 29 rain most of the day we cleaned up the field
 peas and wheat and burned off wheat
 for a goat 16 bushels of oats for feed
- 30 Dan went to town with the great Rabee
 health & worked hard come up yesterday
 last night we miss many heavy rains there
 we took the potatoes out of the cellar which
 helped us
