as a blood-builder, a regenerator, a tissue-builder, and an invigorator is well-known to the medical profession. Clinical tests in private practice and in leading hospitals throughout the world have demonstrated its efficacy. Careful investigation is invited. Samples sent free upon request. Prescribe in original bottles and avoid substitution.

A fine day & the bees  
has working came home  
loaded & tired. Maude's  
has gone with the Beverley  
girls fishing. Melba is  
nurs. Albert helped John  
to sow oats this afternoon  
they finished sowing the  
ten acres. Aleta & her father  
was here a few minutes
