

Longest walk I have had for over a year
from the boat-house to hotel. We all had
Ici cream downstairs in hotel. Got
home shortly after 4. (Thomas men) and
the rest all went to swim at the sand
beach and I stayed home and finished
"The Woman of the Hour" by Gilbert Smaucker.
Clare + I played Ivi hundred at
night against Nell and Charles.
Dorothy went to bed early. Dorothy
went in for her first dip as she
must not swim.

July 31st
Tuesday Very hot. Nell, Doug, Dorothy Charles
+ Jack went over to Country Club.
The kid men stayed to play golf
and the other brought Keith Robinson
back to spend the day. I read
"Interview to the Evidence" by J. S.
Fletcher. In the afternoon went to
sand beach in the boat - all the
rest went in for a swim. Dorothy
