

We had dinner at home - we three. Harry and Melba went to St. Thomas in time for Melba to take her lesson. They were going to Mrs. Williams for supper and then to Bessie Farney's for a little party. Mother made a cushion for Mrs. Appleford and Dad took it to Mrs. Thompsons. Isabella Young was here this afternoon.

April 1

Sunday 1

Thawed, the roads are almost impossible. Osmond came for dinner, & tea, Maudie & Osmond walked up to George & Darise's this afternoon. Harry & Melba went up to his mother's for an air cushion for Mrs. Appleford, but it was no good. John went up to Jim Heavers this forenoon. And down to Albert's after dinner. The Bee's worked to day, on a setup that I put for them.
