TUES. MAY 31, 1898

Wea.

After I had made the fire and prepared the breakfast, George went to school, Lannie stayed to help George plant Potatoes. I was busy mending again today. William and Gas Miller and Gas McCulloch (Wes James) came down to look the store work under Gas Healls barn.

Ther.

WEDNESDAY, JUNE 1

Wea.

The men stayed here last night, out went to Healls before breakfast. Themia came down this forenoon, I was braiding a hat for William and Mother is sewing one for Gas Miller, I went up to Hendersons in afternoon. William came up
