

March, 1929.

11 Monday. Fine mild spring-like day. We heard a robin chirping this morning. Walter went to Elmira Monthly Fair today. He took a load of grit to Floradale and went from there to Elmira with Ezra. Mrs. Enock Schneider and Ella were at Koepke's helping to quilt. Vernon took us up and David brought us home.

12 Tuesday. Lovely spring like day. Ella did the washing & crocheting. Vernon drew some manure. Walter butchered at Leon Wagner's today, 2 pigs and 1 cattle head.

13 Wednesday. Mild. Rained tonight. Walter went to Elmira this afternoon in the sleigh. The sleighing is getting very poor in places. We had company for tea and the evening - Mr. & Mrs. Edmund Schwandt, Ruth, Ruby, Willard, Kenneth, Vernon and Maurice Schwandt. We played crokinole tonight.
