

**Tuesday, April 30**

121 DAYS PAST

*Wednesday*

245 TO COME

**A Therapeutic Trip**

of marked value, upon which to depend in the treatment of all devitalized conditions, consists of (1) An abundance of nutritious food; (2) Plenty of fresh air; and (3) **Pepto-Mangan (Gude)**. This combination constitutes a trinity that always shows results in tuberculosis and other chronic conditions, whenever results are possible.

**Weather**

*Fine all day Temp.*

*raining some & night*

*Maudie & Grace went to school*

*W<sup>ed</sup> I have been cleaning the yard & doing chores, John has been digging, all day for the first. Mr. Blute was around inspecting trees was here for dinner. I have been sewing on Graces to night.*

*March 5*
