as a blood-builder, a regenerator, a tissue-builder, and an invigorator is well-known to the medical profession. Clinical tests in private practice and in leading hospitals throughout the world have demonstrated its efficacy. Careful investigation is invited. Samples sent free upon request. Prescribe in original bottles and avoid substitution.

Five & warm bees swarmed twice we gave one to Menos, & put the other back in the old hive Menos, came & got his last night Mauchie washed, Melba went down to her leaverlies twice for bee racks she only got part of them first, Morris was out
