

to the Public Library and helped  
Mrs. Ferguson sort-cards for over an  
hour. Pearl Buckley called there (had  
been up to the house) so I came up with  
her and gave her the rules. Wrote to  
Clare, Dorothy and Nell.

March 26<sup>th</sup> - Warm day but got windy and much  
Friday - cooler. Rained during the night and there  
was one little shower during the day. Mrs.  
Ryan went off on the early train. I  
got up at 6 a.m. and, after seeing her  
started, stayed up. Did some work for  
Charles, did the work. Then went down  
to the Mc Donald house for dinner. Mr.  
& Mrs. M. A. Stalliday there also. When  
I came home I did some more work  
for Charles. Then went down to Charlie's  
store and called on Mrs. Clevis who  
just came back from Detroit last night.  
Her sister died while she was down  
there. Got tea ready and washed the  
dishes. Mr. Moss was to come to cover the  
Library work to night but did not show  
up. I hope he comes along tomorrow as  
I would like it done before D.A. comes home.
