

May 26th. Sunday drove
up to Indian Res.
not much prospects
of help it looks dead

May 27th + 28th
Hoing shanties
they are coming out
in blossom fast now

May 29th planted some
potatoes also started
tomatoes it looks like
a failure trying to
plant on cross marks
impossible to get
them straight

turned very hot today
must be over 80 in
the shade - it was
86 tonight at 6 o'clock

May 30th Very warm
reported 83 in the
shade in Hamilton
was 102 here in the sun
at noon. planting
tomatoes.

May 31. Some cooler
today. still planting
tomatoes, ground
getting pretty dry now
June 1st. a big drop
in temperature down
to 50 this morning
and at 42 at 11
o'clock tonight. will
be nearly frost.

June 2nd Sunday
Smith said temperature
was 33 this morning at
5 a.m. when he got up
to go fishing
