293 DAYS PAST

72 TO COME

The Elderly Invalid.

The ills of the aged require gentle, yet efficient treatment.

Pepto-Manqan ("Gude")

is peculiarly adapted to the needs of the elderly invalid, as it is free from harshness or constipating effect.

Weather

Temp.

A fine day

had a very heavy dew last night - like as though it had rained. John ploughed all day & Joe helped shed again. Maudie got her running shoes. Monday for sports day.
