

Christine &

quite fine until about four  
o'clock when it became ~~then~~  
cloudy and very windy  
with a few dashes of rain,  
very dark and cloudy to-  
night, very <sup>hard</sup> cloudy today  
in connection with my  
work no trouble whatever

Wed, 25:

Cool this morning, with light rain  
clearing off and remaining very  
fine till evening, when it cloud-  
ed over and commenced raining  
accompanied by thunder in  
the north west, only a light rain.

Thur, 26,

Warm and foggy this morning  
fog raising and becoming very  
fine during the day, clouding  
over at evening and commenced  
raining about eight o'clock P.M.  
and continuing nearly all night.  
Ascension day.

Ymci  
Wed, 27.

May 27<sup>th</sup> 1892

Mild, but cloudy, wind west, a  
very heavy shower of Hail and rain  
this afternoon, clearing off, and wind  
shifting north, Sun setting clear  
with the appearance of a fine day  
tomorrow. Visitors Hay & Bro.  
and Hugh & Dr. Neil with his  
accordion, treating ourselves  
with songs and dances,

Sat. 28.

Lovely day, wind west. Today is a  
grand treat, it being so cold and  
raining for some time previous. Visitors  
~~Misses~~ Misses Hobb, & Price of Pkfy

Sun, 29.

Full dismal day, commenced raining  
9.30 P.M. and continued all day with  
a heavy South East wind spent the  
day very lonesome, but was engaged  
in reading and writing

Mon, 30.

Beautiful warm day, everything  
growing fine after the long rainy  
period. Made seven Cheese today
