No Uncertainty.

Doubtfully assimilable salts of iron may be of therapeutic value, but there is no doubt of the physiologic potency of such a non-irritant, promptly absorbable, organic combination of iron and manganese as Pepto-Mangan (Gude). It performs its work as a hematonic and tonic pleasantly prescribed and

Cause for Thankfulness.

Among the many good Irish stories one of the best concerns a certain old Connemara farmer, who, upon waking in the night, saw an apparition at the foot of the bed.

Reaching for his gun, he promptly perforated the ghost with a bullet. To his surprise the following morning he discovered that it was his own shirt of which he had made a target.

He was relating the experience to a friend, who asked him: "What did you do when you discovered what it was?"

"Oh," replied the farmer, "I just knelt down and thanked God that I hadn't been inside it."

Mrs. Eggleston will contribute two violin selections at the evening service in Trinity church Easter Sunday.
