175 DAYS PAST

190 TO COME

Great Debility.

From a London, Eng., physician comes the following report: "Dr. \_\_\_\_\_ is much obliged for sample of Pepto-Mangan (Gude), and he noted a very satisfactory result in giving it to a case of great debility with enlarged prostate."

Weather

Temp.

Very warm uncomfortable  
So I roused & Mella & I are  
going to Aylmer. Alice  
Skinner was up last  
night. I put the second  
lot of sections on the Gas  
Engine was away
