Went over to enquire for Mrs Hooper who insisted upon me going in to see her. She looks very thin and white but said she was feeling "fine." Charles went down to McDonald's to make out the High School report - and I spent the evening reading beside the fine fire.

Tuesday Sept 28th Cool - dark - looks like rain. Went to the Office in the morning - also in the afternoon. Went to Mrs Timbrell's to see about buying coat. Dorothy came home from Chipstead on the afternoon train & went to Mrs Hall's to help Viola at a Surprise tea for her mother. She went to Mrs Hall's after tea to play bridge. Had a fine fire in the evening.
