1917

- April 2nd Earl came home from Cleveland in the evening.
- 3rd. A hard frost last night, drew out manure in the forenoon and set the goose on 13 eggs.
- 4th Geo Weir came for 50 Bus Alaska seed oats in the afternoon. Mr & Mrs Lee and Mrs Ryan came over for a visit.
- 5th Edith & I went to Dr Pettigrews farewell gathering at the Glen for dinner and to spend the afternoon, as nearly all the members of the Presbytery were there, and although the day was very wet, yet the hall was crowded. Received seeds from Bruce.
- 6th Put up new wire fence back of shop, for chicken yard. Simons came down in afternoon and we dehorned 5 of the ^{dear calf}
- 7th Rather a wet dreary day for Good Friday. Herb brought a Hundred of Sugar from St. George for us.
- 7th Sowed seeds in hot-bed in the afternoon. Set 3 hens on R. I. Red eggs. (45 eggs)
- 8th Easter Sunday and a very nice day, we went to Paris Methodist Church in the evening.
- 9th A very hard frost last night, drew out manure all day.
- 10th Went to Ellene Johnsons Birthday Party in the evening.
- 11th Started to shingle south half of stone house.
- 12th Mr Johnson & Jack McDonald helped to shingle.
- 13th A cold day took a load of wheat to Paris at 1.90
- 14th Mr Johnson came to help us finish shingle the house, rather a cold day.
