MON. MAY 23, 1898

Wea.

I got up this morning and made a fire and put on the wash water, we then had breakfast, I did quite a big washing I fixed the lounge putting more straw in it. I washed and ironed the cover but did not get it on, as I had not time. The boys were at School.

Ther.

TUESDAY 24

Wea.

This is birthday of our Queen (Victoria) I attended to the house work this forenoon, Lizzie Graydon came out from Toronto this morning, and went back on the evening train. Mrs G. Graham & Mrs of Seggs were here this afternoon.
