rose. I have got a very bad  
cough & am not very well any  
way. We are going to pick black  
caps this afternoon for to send  
to London. Thursday afternoon <sup>2<sup>th</sup> August.</sup>  
I am getting ready to go to  
Bronte when I willa & Agnetta  
Curtis came they said they  
would not stay because we were  
so busy & that they would  
come back again some day.  
Ella McKay & her mother about  
6 o'clock. Ernest came before  
they went away & then Brother  
here also for & then burnt  
the Bee nest in the smoke  
house. After they got through  
burning it I went in the
