1904

Boiled all day from 8 am till 6.45. P.M.
got 7 gals. seeps. & left about 2½ in tank.
Mixture of cedar & hardwood best, but all my wood
today was wet.

Rained SE drizzle.

Drew up wood. & part sap. 8 tubs to fill tank.
Should get a larger draw tub. and about 200 more
trees.
