

we saw a museum showing
all fashioned furniture,
guns, pictures, maps,
writings etc, used by the
Spaniards, we saw where
Ponce de Leon, landed, on
April 2nd, 1513. 1417 years
ago. we saw a little
church about 10 or 15 feet
square supposed to have
been used then. also
had a drink of water
each from the Fountain
of youth, which was under
a nice little building the
spring was walled off like
a little well. the water was
good, and pretty cool. took
a snap outside the building.
they said it was about
the only water in Florida
that had no sulphur or
minerals in.

left for Jacksonville at 245
P.M. 33. miles more - to
go. went through the small
town of Magnolia, Sampson
Woodland + Bayard, had
Government inspection for
med. Fruit & by having
every thing sealed at Orlando
we had no trouble - only
just after leaving had a
blow out - and had to
change tires. arrived at
South Jacksonville. quite
a large place. crossed the
toll bridge cost 24 cts
must have been a mile
long - arrived at Jax
at 4:30 P.M. Jax seemed
very busy. looked us a
while to find the Carlier's
Hotel used, we stayed on
the way down. Room
