

June the 1906

- 1 I piled wood all day a fine day it was
- 2 I drawed stoon and saved out to the wind mill and did choers Edies was down to day
- 4 I did choers and plowed corn a fine day but rain to night
- 5 I plowed corn a fine day and a big rain my crops is good
- 6 I did choers all day a fine day but wet I went to the Earner
- 7 I went to town and did choers a fine day Gordon was down to night
- 8 I plowed the garden and did choers We had a big rain and a wet one

June the 9 1906

- 9 We went to the bush and cut some logs a fine day We cleaned the well to day a muddy job it was
- 11 We went down to Stadass and cut some logs and took them out to the mill a fine day
- 12 I went back to the mill after my lumber a fine day
- 13 I did choers and went down to the farm and took a stove down
- 14 We went down to our farm I piled my lumber and Bidy scrubed the house
- 15 I plowed corn a hot day and a little rain to night
- 16 I plowed corn a fine day a little rain to night
