20 DAYS PAST

346 TO COME

June 25, 1907.

Dr. G. H. Black, Emporia, Kansas, says:

"I have prescribed your **Pepto-Mangan (Gude)** for a number of years in all debilitated conditions and have never been disappointed in my hemoglobin and microscopic blood tests."

Pepto-Mangan (Gude) is a true tissue-builder and blood regenerator.

A fine day Maudie &
Melba went to Aylmer. John
drew two loads of gravel
Frank cleared out again
this morning. The girls
took some of the pork to
their friends
