

came home. He said they were stopped then but did need him much anyway, so he came home to saw wood which he did till noon. Dad threshed over at Fleming's all day and they finished to till the middle of the afternoon it would not be worth Dad's while to come over so he didn't. This after noon he gave Queen just hours after that. It kept me all morning doing chores and this afternoon exercise I took a picture of her also one of the baby which noon I cut a little wood. I intended to bush some even but it was finished my film. Dad & I hooked up Harry & Belle & got such a nice day I thought I would get a load of rails instead of a couple of loads of rails, one load from the remainder of the west side of the wheat field and one on the north side of the fence on the east side of the wheat field and one from the north side of the wheat field where Dad & I got fence. Pauly went down town this after noon to get some the last load. The horses were feeling good especially old Harry who birthday presents for Ruby. Beautiful day, froze in the night, snowing hasn't any more sense than a seventeen year old birds nest. Going out I had to get out to open the gate off the road and as soon as they saw it open in front of them, started through it. I caught Belle's rein but Harry kept on going so I had to let them go on into the field where they immediately started to speed up, and it just kept I was fortunate enough to get the lines and steady them down horn a little and road. Mrs Alfred Repaire come in to see the baby. Carl took a walk over to Martin's. Allen Law came in at noon to see the baby. Pauly went down town this after noon with my bro. Mr. Johnson & Mrs. Quackenbush were over this after noon and got the wagon to get wood. He didn't know where he was going, but intimated that he was going to get rails from fences along the road. This was Ruby's birthday.

Wednesday January 29th

Dad left first thing this morning for to thresh at Mr. Flemings and was gone all day. He got home in time to milk before dark and felt pretty well plugged up. It kept me nearly me bumping to run and scramble in the back of the wagon but all morning doing chores. This after noon I practiced my It has been cloudy & spitting snow all day. Not cold just freezing

Thursday January 30th

Dad threshed over at Fleming's all day and they finished to night. They finished the alaids about 3 o'clock and got 17 bags and $\frac{1}{2}$ bushel from the 48 loads, and they threshed 3 1/2 bus. of oats in two

loads. I had to open the gate off the road and as soon as they saw it open in front of them, started through it. I caught Belle's rein but Harry kept on going so I had to let them go on into the field where they immediately started to speed up, and it just kept I was fortunate enough to get the lines and steady them down horn a little and road. Before they did any damage, but I was thankful to get back safe with my bro. Mr. Johnson & Mrs. Quackenbush were over this after noon to see the baby. Pauly went down town this after noon. He was going to have their cattle back on Saturday to go after the adrop. Lovely day, sunny & very mild.
