270 DAYS PAST

THURSDAY

96 TO COME

Sciatica.

Eight cases treated by injections of 4 per cent. quinine and urea hydrochloride in salt solution into subcutaneous tissue over course of nerve. Fifty injections in all, without untoward results. Always decided relief after first injection and no further attack after third. Injections daily for 4 doses, then every other day until patient entirely relieved. Two cases of facial neuralgia also treated, with complete relief after second injection.—*Cables.*

Weather

Temp.

A very disagreeable day, cold & rained off and on all day. John, Mellor & I went to the fair, but it was no good, every thing stopped & we read up town with Dr. Augood & wife. I am carrying up fears & night. Maude & Grace went to school.
