

1853

Dec 1 Don cut wood in our hut and drew it to the

2 house fine day
Rev Mr Shore preached this morning

3 Don got some wood fine day

4 Don and I fixed the Room for the thrashers
we expect them tomorrow - they moved the straw
so that we can keep it all in they fixed the posts

5 the thrashers come at noon they finished the thrashing
we had 4 bushels of oats

6 Don built up stone wall on the side of the cellar

7 Don finished the walls this afternoon & went home

8 I finished the making of the steps for the cellar
and got them in so that we can set on in from the
out side I have to cover them in yet

9 Rev Mr Leigh preached this morning Mr Shore at night

10 very stormy this fine morning I went for the calves

11 Don went to the grain for the calves

12 Don came home from his Father's he helped him
for three days he got wood and other chimes got

ready for killing the hogs & brought the sheep from
13 we killed the hogs Bruce helped us fine day

14 Don helped John Johnston to thrash with
the team some day I finished covering in the cellar
He went to grazing on the hills

15 Don went to John Johnston's this morning they
finished thrashing at noon he got wood after

16 Mr Johnston preached this morning he is a student

17 Mr come home on the three Stages off at Kingston
on Saturday from Barry Sound to Regina & see me
home Don & me cleaned up 9 bushels of the clover
that is the best of it we have 12 bags of oats
intending to go to the Mill tomorrow

18 very stormy all day and all day we took
the top of the snow & took in the grain

19 He went to the mill to mill he had 9 bushels of oats
and 12 bags of oat the roads very rough Don cut me

20 He went to the mill for a load of coal for the
stove - he brought 12 bags of coal for the
stove - he brought 12 bags of coal for the stove
