Mostly cloudy a little breezy at times. not warm. I started to plow with Punch and Dan in small field below orchard when Dan lay down sick. Willie drove down in buggy with Lucy for M: F adgon he gave Dan a ball and I took him to plow with again till noon. Willie drove M: down again got harness mended Worders 25cts turnips seed Steals 75cts oatmeal 25cts 70c. he also took 12 hay eggs to Remells \$4.80 in sp of goods. Willie dropped some A.M. P.M. we finished planting the orchard potatoes then spread rest of field pile No 2 7 1/2 loads also 2 loads from yard. M.H. up after school to see if we would need him to-morrow Mr Burger called to see us P.M. I sowed with grass seed and raked it in a piece of ~~land~~ on S. S. that was missed in seeding.
