It was a nice it rained through the night I planted some straw. berrie and finished shearing sheep we killed a pig

19 their was a little frost last knight we plunghed in the forenoon and shred mangye in the afternoon we broke the spreader

It was quite a nice day I helped Shear Mr Pitts sheep and went after Laura

20 It was quite warm but Kuft & I went to Spencerville to get the car fixed a little then we went to Prospect in the evening for Ray Mrs Wilson went with us
