

1890

February

8 began to snow ^{night} last the snow is 4 foot deep this
this morning with a little rain snowed all this
forenoon the slaught is running wood and logs

9 we have ^{no} minister to day

10 Ad drove a load of wood from the county to day

11 Do Do Do Do

12 Ad went at six o'clock this morning to the county for
a load of wood get home & then him Wallace & Burr
went to the River & brought loads of Ice its good

13 Ad went for a load of wood and then for a load
of Ice he took the wood to Wallace

14 Ad went for a load of wood & then ^{at the} meet

15 Ad went to the River for Ice the morning and
him and Burr brought a load home by noon and
went again and brought 3 loads more

16 we had no minister yet

17 Ad brought a load of Ice this forenoon that makes
six loads we have here

18 Ad brought a load of wood here to day

19 Ad went to the Charities this morning he took a lot
of hay & straw he intends to bank out the ends
and staps out there all the week fine day

20 very stormy this morning snow & wind & drift till
noon

21 Ad came home at night and brought a load of wood

22 Ad went to the woods & brought a load of wood

23 we had no meeting to day

24 Ad went to the woods this morning George Matthews
came at a quarter after 1 o'clock to saw wood

25 Ad went the woods vain afternoon most of the day I met
went to Ganansque on the Express to visit Mrs. Lewis

26 I met ~~George Matthews~~ Express it was 2 hours late at will

27 fine day I have been to the Barn twice this week

Wallace splits the wood & sent to the cattle

X Wal and his wife came on the Mice this evening from

Lombark they are on a visit 28 they ^{went} on the Express

to Malnataun they are going his Mother's from

there

rain
most of the
day
