

1816
Day 14

Ad took the mowers to the woods last night
he cut grass there to day fine day

20 they drove in what they cut
rain then went to the mountain with the horses

21 began to cut in the middle field
I had been in the wood of the last day

22 I went to the mountain with the horses
to get some more hay

23 finished cutting the south half of the middle field
I raked the south half in the afternoon

24 it was very light so I went to the mountain with the cows
to get some more hay

25 I finished cutting the north half of the middle field
& got in two loads put them over the cows

26 began to cut the church field a little
I raked & drove one load from the middle field put it over the horses

27 raked two loads in the middle put one of
them over the horses to take the other out
to the road to put over there I was
the funeral of a child of Eden Decker it was held
at Rabbin's School house Rev Mr Stewart

28 rain most of the night & this fine day
I took the mowing out to the road to work

29 I went out to the road & raked there drove
in two loads it is very light fine day

30 Rev Mr Stewart preached this morning & visited at night

31 I went out to the road & raked there
I & Hallace drove in fine day
