

They got late & other things
~~Sunday, December 24~~

359 DAYS PAST

Monday 25 7 TO COME

Tuberculous Anemia.

Plenty of food, air and sunshine are distinctly supplemented by

Pepto-Mangan ("Gude")

the one efficient preparation of iron that builds blood without disturbing the digestion.

Weather A lovely day Temp.

good sleigh riding Mr Danes Captain Eugene & Aleta was over for dinner girls had a Christmas tree. We had a lovely goose for dinner. They all came over in the bob sleigh. Maudie went to Kingsmill this evening & got some Christmas decorations.

Mrs Standing gave each of the girls, a lovely gake & me a towel. Mrs McLeay & Maudie each of them a book & hair ribbon. Dr McLeay gave them each a silver spoon. Aleta & Eugene & Maudie & I milk tea.

reborn & then
