

June

THURSDAY, 9

1921

Brock separated our young cattle from Rays and harrowed 4 ac behind
new driving house.
Planted ten rows of potatoes in
afternoon.

Will Hamilton here to take census &
had tea.

Fine and very hot.

FRIDAY, 10

Brock sheared thirteen sheep.
We to concert at night. (Clara dramatic
club.)

Close and looking like rain.
Dip - a shower about six and a
heavy thunder storm about 9.30.

SATURDAY, 11

Charing and cleaning pens. Brock
to town in afternoon for gasoline.

Shawry and warm.
Cools to-wards evening
