287 DAYS PAST

78 TO COME

In a Large Proportion of Cases

met with in daily practice, a rational therapy requires the intelligent use of an efficient hemoglobin contributor. **Pepto-Mangan (Gude)** is preferable to other hematinics, because it is, at once, palatable, non-irritating, non-constipating and distinctly efficient as a corpuscle constructor and hemoglobin creator.

Weather

Temp.

Warm. Rained hard
last night - & rained some
off and on all day. Hoarse.
& I took the girls to school
& went to the store. Evelyn
& her mother was over to night
John was over to make to
night. John played
all day.
