Tuesday 16th April 1878

16 Henry Rathwell came on this morning & have hired him for Spring work at $13-00 per month Drawing manure on Uncle Hughs meadow till tea and after tea at home Beautiful day

Wed 17 Drawing manure from house and commenced finished about two o'clock then we went to harrowing up in the field back of the schoolhouse for to sow tomorrow. Beautiful day very warm and calm Mr Edwards stopped with us last night Roads good and the weather beautiful
