

MAY

MONDAY 6

(126-239)

1907

It was quite nice and warm Robert was sick I took him to the Doctors Maggie Walter was here in the afternoon Mother was down Archie helped me milk 1918.5 It was quite a nice day Ray. Jernett & I went to church in the morning 1918.6 It was quite nice we sowed some Oats and cultivated another field

TUESDAY 7

(127-238)

It was nice I went to Intermar in the morning Archie and I went to the Station with our Hogs we sold them to Hay and Johnston 1918. It was quite nice in the morning Fred & I went out to the front place Fred came home and I stayed out & spread our Corley Manure it rained in the afternoon

WEDNESDAY 8

(128-237)

It was a nice day I took a load of hay to Sweet and brought up a grist 1918. It was quite a day I finished spreading the Manure and brought the spreader home Fred ploughed some
