

Sunday October 9th

It rained hard again this morning and made things very sloppy but it cleared off about 10 o'clock and has been sunny and windy all day but not cold. Mary, Jim and I drove Joe down to Sunday school and Dad and Enah drove down to church with Mexico. Walter, Elsie & John were in church. John is a great boy, very quiet but not bashful and apparently very cheerful. Mary & I drove home with Joe & Dad & Jim with Mexico. Enah stayed at her mother's for dinner and went to Victoria this afternoon with the choir. They went up to swell the musical part of the harvest home service which the Victoria congregation held today. This afternoon Dad & Jim drove Jim down and took Walter for a short drive around town. Mary & I went for a walk around by the Upper Pond where Mary had never been before. We noticed Henry Mims had a nice lot of apples so went in to see if we could get some for Mr. Clark. Henry said we could. He is full with her twins so we had to have a look at them. They are rather a hard looking pair. The female twin doesn't seem to be doing very well for her feed it is getting. The Barwells brought Enah home of the church.

Monday October 10th

It was raining hard when we got up this morning and has kept it up all morning. It cleared off this afternoon pretty well. I spent most of the forenoon doing up the church books. Pickford was in to see if he could get a sheep from us to kill. Tom Butler was also here feeling very blue at his financial prospects. Jim couldn't go to school in the rain this morning so Dad drove him down this afternoon. Mary went down to deposit the church money and stayed down to tea and went to the girls' meeting to night. She rode down with Pickford & Arthur who were taking some old hens down to ship and come in here to sell one to Enah. I rode with them off as far as Billy Mills and found he had gone up to help fill silos so I started up. Dad picked me up and we drove as far as the mill and met Billy & Frank Rowe coming back as it was too wet to work. I puttered around doing chores and fixing the fence a little in the chicken yard and Dad drove after Jim at four o'clock. We did the choir up early and to night. I drove down to bring Mary home and we sat for quite a while talking to the "County" Aunt, Alice and Elsie. Tom night but doesn't look like yet
